

REMARKS

Claims 13, 15-19, 32-45 and 47 are pending in the present application. Claims 13, 32, 38, and 44 are amended. Reconsideration in view of the amendments and following arguments is respectfully requested.

Applicants thank Examiners Phan and Eng for their time in conducting a personal interview with the Applicants' representative. Applicants also thank the Examiners' suggestion to amend the independent claims to further define the first and second "wireless network" in order to overcome the prior art as detailed in the Interview Summary.

REJECTIONS UNDER 35 U.S.C. §103(a)

Claims 13, 15-19, 32-45 and 47 are rejected under 35 U.S.C. §103(a) as being unpatentable over Connolly et al. (U.S. Patent No. 5,657,375) in view of Sayers et al (U.S. Patent No. 6,539,237. Applicants traverse this rejection.

Per the Examiners' suggestion, independent claims 12, 32, 38, and 44 are amended to further define that "the first and second wireless system is a private or a public wireless system," and to overcome the prior art. Applicants also respectfully request entrance of the amendments because the amendments adopt changes suggested by the Examiner. 37 CFR 1.116 provides that amendments after final may be entered if the amendments comply with requirements set forth in a previous office action (Interview Summary). Applicants believe the claims are now in a condition of allowance.

Dependent claims 15-19, 33-37, 39-43, 45, and 47 are also allowable for depending on allowable base claims.

For at least the reasons given above, Applicants request reconsideration and allowance of claims 13, 15-19, 32-45 and 47.

CONCLUSION

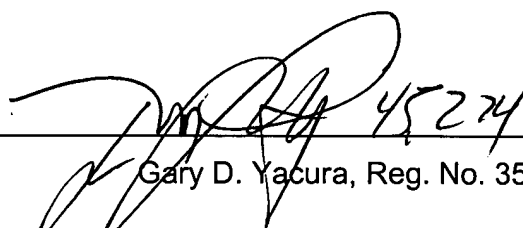

In view of the above amendments and remarks, reconsideration and withdrawal of all presently outstanding rejections is respectfully requested.

In the event that there are any outstanding matters remaining in the present application, the Examiner is invited to contact the undersigned at (703) 668-8000 in the Washington, D.C. area, to discuss this application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. 1.16 or under 37 C.F.R. 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C.
